“ Shawn and family this is Emon.. me and Shawn Jr love you and are in shock. We were trying to call you not knowing what happened. Our hearts are broken especially your son. He now has a guardian angel and he will never forget your love. Rest peacefully and with God. Do not worry..I will make sure Shawn is good and I know you will watch over him as his angel ❤️

“ Cousin days later it seems to get harder to understand 🥺💔. Londyn prayed for you the other day. She wants to play with Uncle Shawn one more time sad😞. I told her you're with God and you're our angel now. This is a tough blow to the heart cousin! Your radiant smile and that laugh 😂. We will miss you dearly.. most definitely gone too soon. Love you Tish

*Missing you Shawn, your smile, your laughing at your Mom and I being hilarious*

*Yes you areot with us but your spirit lives on on in all that you touched. Thank you for loving me as you would say your Mom's best friend and as an adopted aunt. You thought about me on Mother's Day which was just another example if your kindness and beautiful spirit. Those roses you gave to your Mother were simply gorgeous. But my yellow ones ran a tight first place.. Love you always nephew🙏🙏*

“*You were loved & we miss you already! I thank God for all the memories and the short time we was able to spend together. You made such a huge impact on my life. I love you for being a part of Jace's life. I will forever cherish all our videos and photos. I can still feel your hugs, smell you scent, can hear your voice & see your smile. Jace is having a hard time without you! But we're getting through it everyday. Rest Well My Sunflower 🌻.. No more worries for you. No more troubles and burdens. Your soul is free now & now I know you're good!! 😭💔*
