“ You was more than an aunt to me—you was like a mama, a safe place, & one of the sweetest souls I’ve ever known. When I relocated to Houston, we became even closer. You had the kindest spirit, always loving, always listening, & always finding a way to make me laugh.

One of my favorite things was getting on your nerves & you would cuss me out for calling on purpose during your lunchtime nap 😂 I’d call, & you say, “Girl, you know good and got damn well it’s close to my nap time, what cha want?” & I’d just crack up & say, “Nothing, I just wanted to bother you before your nap.” Those little moments are the ones I’ll hold onto forever.

Auntie, I love you. Thank you for everything you did for me, for the laughs, for the love, & for always being an ear when I needed one. I’m going to miss you so much. Unc, Dra & Stank gonna be okay they have me they have the family & each other.

You rest now love you 💙
