“ BeBe BeBe BeBe BeBe 🎵

A song you sang bouncing me on your knee to calm my tears as a baby. That song became my nickname. Well with tears pouring, I wish you could sing to me one more time. I will miss our talks about everything, our hearty laughter about us being country and random text about food. I take comfort in knowing that God loves us best. Surely his grace and mercy is with you now. I love you "Old Man". You were the BEST uncle, a great man and with a kind heart you lived life on your terms.
