“ I meet Steve back when my sister was 16 he was her little boyfriend. The day I meet him he was a real gentleman and a good hearted person. Steven became family he would come by every day and see us. Throughout his years near are far Steven never went a day without checking in on us. I remember when he got hurt at work he call me he said sis man down and started laughing. I'm gonna miss his smile his jokes most all his great personality. Love lil bro until we meet again The Ross family
