“ Ms. Tamara Brown was an extraordinary individual. As my assistant principal and mentor, I came to deeply appreciate her dedication and commitment to our students at Harper. I feel fortunate to have known her over the past two years. She was consistently professional and truly cared for all the students at Harper DAEP. Though she spoke few words, her impact was profound. I will genuinely miss the sight of her at her desk. To her family, my thoughts and prayers are with you during this difficult time. God bless.

Robby E. Alsbrooks, Harper DAEP

A friend and confidant for over 20 years, Tamara exemplified "resilience" in all aspects of her life. Her family, her work and her friends were always on the front burner in life for her. She was there with and for you. Strong, consistent and a loyal, loving friend. I will miss you immensely, my friend.
