“ Sister Verdell was a best friend to my late Mother-in-law Mary E. Bell. I remember when I joined Providence MBC back in 1990, the twins greeted me with such love and welcomed me and my children Monica and Frederick Braden to the Providence family. Sister Verdell always smiled, very kind and definitely knew The Lord. She was an extraordinary leader of women and young girls in the church ministries. She is present with The Lord now and she will forever be in my memories. God Bless the entire family, love you all Dr. Mary Cue 🌸

“ *My first best friend. Even though we are first Cousins by birth. Her mother was my mother’s baby sister. We would go to their house every summer and what a time we would have. My heart is broken because she and I would always talk and my baby sister and Blirdell always talked. I miss you already. The last words I heard you say to me was ‘ Hey Bug’” a name Uncle Birdell gave me when I first learned to crawl. I love you but God love you the most and wanted you to rest. So rest now my dear Cousin.*

“ *Mrs Verdell...a great woman of God, inspiration and teacher! Growing up, there was absolutely no doubt where I would be during the month of July and that was the Congress down in Leona, TX! Though it was hot and limited A/C, you made each year a true joy!!! You will always hold a special place in my heart! Love you and may you rest in peace!!*

Praying for you and your family. I thought of you a couple weeks ago. I was at Church in Normangee and was wondering when you all would walk in. Praying that you keep all of your memories of your Mom close to your heart and know that she loved you so much 💕. I loved seeing the sisters dressed in the same colors

Praying for your family. I remember when you guys were born. You were special to us, and we will miss you. Your father baptized me and many more at Greater Oak Missionary Baptist Church. Always enjoyed talking with you. Reminiscing about how the church sending you both gift boxes while you were attending PV. Words cannot express how the loss is affecting us at GOGMBC. Rest in peace!
