“ *Too many memories to share. My bossy but extremely nice mom. Appreciative of the men you've raised. You've taught us how to love and care for our own. You will forever be in our hearts. Love you mama.*

“ Wanda, for once I am at a loss for words! I feel so bad bc I kept trying to call you but we always played phone tag or you would wait a week before calling back & your voicemail was always full for days at a time. I will keep your voice recording after your 1st stroke when you told me I was the 1st person you thought to call. I will miss you talking about Caleb & Peyton. Rest now, I know you were tired. Love you & see you on the other side.
