“ I remember Mrs. Jones, from AEC/KEC. Always greeted each other pleasantly, with a smile, and great conversations. She was always kindhearted towards me. If I saw her with a somber expression, I would tell her a joke or say something wild and crazy... She would say, "Ms. Spade, get out of here, making me laugh like this, you're horrible", (and laugh the entire time). Then I would say, "Got you smiling"... then she would thank me. Then I would return at the end of the day, to check on her... She was always Gracious toward me... " Gone, but not forgotten"

“ I am so thankful for the honor and privilege God allowed me to meet Yolandra I met her at Southwest Airlines many years ago and I was able to hear her sing numerous times; her voice was unique and beautiful I could listen to her all day. I ran into her over the years at different churches and she always greeted me with a beautiful smile and hug. I will cherish my autograph copy of your cd "Yolandra Simmons Jones and Purpose. Rest easy my friend. Diana Toliver Session,

“ Hello Jolandra Jones Family. My name is Kay Perry. I met your mother when both she and your Aunt Angela were attending Will Rodgers Elementary School when I was a substitute teacher. I just wanted to let you know how much I loved her, your Aunt Angela, your great-grandmother Dr. Earline Allen, your great-grandfather, Dr.B. E . Allen, your grandmother, Carole Allen and your great Aunt Myra Banks. My prayer for you all is that God will grant you all a peace that passes all understanding
